About SHARE

SHARE Mountain Bike Club is a non-profit, IMBA affiliated, organization dedicated to promoting responsible mountain biking.

We organize trail work, we have educational programs, we host events, and we ride!

Our trail maintenance programs are focused on the local State and County parks but we also help with work and events in the Cleveland National Forest. SHARE was founded in 1988 in an effort to present mountain biking in a positive light to the management of Crystal Cove State Park. The focus was then, as it is now, on advocacy through trail work and education.

About CCIA

Crystal Cove Interpretive Association (CCIA) aids visitor enjoyment and understanding of Crystal Cove State Park. CCIA works closely with park staff to conserve, develop and interpret this rare coastal environment. The association supports several annual events including tide pool and backcountry walks, and whale watching. CCIA also publishes a quarterly newsletter.

For more information about CCIA or Crystal Cove State Park, go to <http://www.crystalcovestatepark.com>

A portion of the proceeds from the Poker Ride will go directly to support the mountain bike Trail Assistance Program at El Moro, Whiting Ranch, and Aliso/Woods Canyon.

What's a Poker Ride?

There will be seven checkpoints throughout the park. Participants will be required to check in at a minimum of five of them. At each one you will choose a card from a deck and that card will be recorded on your scorecard. Upon returning to the El Moro visitor's center, those with the best poker hands will win prizes, and more importantly, notoriety throughout the mountain biking community. Prizes will be awarded for the top 5 hands.

Awards and Raffle Prizes

The top 5 poker hands will be awarded prizes beyond your wildest imagination. In other words, we don't know yet but they will be great.

There will be huge raffles including a **full suspension bike from KHS**, a frame from The Path, several cases of Fat Tire Amber Ale from New Belgium Brewing and at least 50 other prizes. It will be hard NOT to win something at this huge raffle.

Kids Ride

We will be offering a kids bike safety clinic and backcountry ride at 9am. Parents are welcome to drop off the kids while they do the poker ride as long as they return by 11:30am. There is a fee of \$5 for the kids ride.

Where is El Moro?

El Moro Canyon is located in Crystal Cove State Park, approximately 1 mile north of Laguna Beach on Pacific Coast Highway, on the INLAND side. Limited parking will be available at the El Morro elementary school for \$5 (\$2 for SHARE members). If you have a State Park Pass you can park for free at the visitors center.

How hard is the ride?

To visit the minimum number of checkpoints, it is approximately 10 miles with 1200 feet of overall elevation gain. We call it a lower intermediate ride but with some determination it can be accomplished by a novice rider. It will be somewhat tougher to get the sixth and seventh card though!
